

Swedbank LV

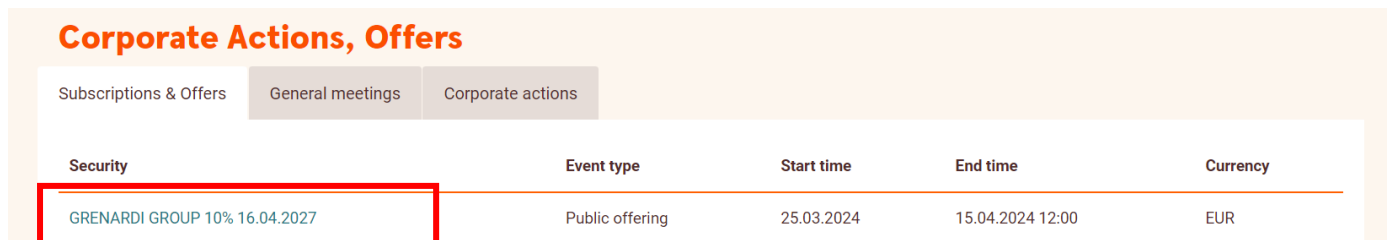

IMPORTANT! To buy bonds, you must have an investment account open. If this has not been done, it can be done in the Internet bank by choosing: Savings, Investments -> Accounts for investments.

When an investment account is opened:

Step 1 -> enter the internet bank. Under the section Savings, Investments, select: Corporate Actions, Offers.

Step 2 – select Grenardi Group bonds from the list.

Step 3 -> When filling out the form, you must indicate the desired number of bonds, as well as select the account from the menu offered by the bank, for which you will purchase bonds.

Step 4 → Double check the entered information. If the information is correct, the final step is Submit Order.
